

React Native

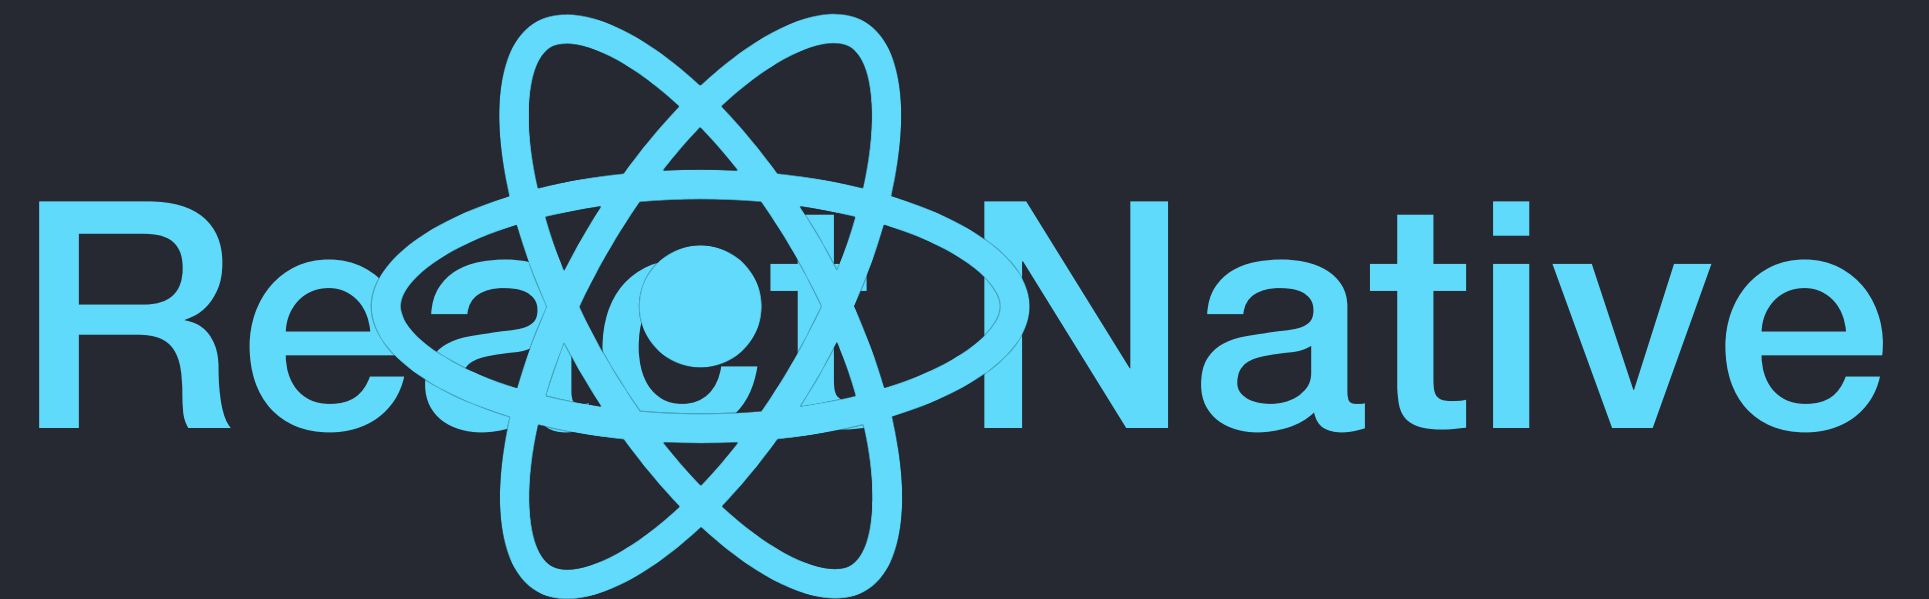

```
<div>
  <p>Hello World!</p>
  <img src={image} />
  <button
    onClick={this.onButtonClick}>
    Hey
  </button>
  <input
    type="text"
    value={value}
    onChange={this.onValueChange}/>
</div>
```

```
<View>
  <Text>Hello World!</Text>
  <Image src={image} />
  <Button
    title="Hey"
    onPress={this.onButtonPress}/>
  <TextInput
    value={value}
    onChange={this.onValueChange}/>
</View>
```

```
sudo npm install -g expo-cli
```

```
cd desktop
```

```
expo init MyAwesomeApp
```
